

ICP32UK Issue 2

Date : February 9, 1999

AW Code: 47/15C

1. <u>Identification of the Substance/Preparation</u>	PROFESSIONAL DEEPIO THE GREASE BUSTER																			
<u>Company</u>	Procter & Gamble UK, CPG-E, Brooklands, Weybridge, Surrey, KT13 0XP, UK Tel: 01932 89 6000 Fax: 01932 89 6200 Tel: 0800 716 854 (UK) Tel: 1800 535 119 (ROI)																			
<u>2. Composition/information on ingredients</u>	<p>A granular cleaning product containing :</p> <table border="1" data-bbox="480 712 1501 846"> <thead> <tr> <th></th> <th style="text-align: center;"><u>Percentage</u></th> <th style="text-align: center;"><u>Symbol</u></th> <th style="text-align: center;"><u>Risk phrases of ingredients</u></th> </tr> </thead> <tbody> <tr> <td>Nonionic surfactants</td> <td style="text-align: center;">< 5 %</td> <td style="text-align: center;">Xi</td> <td style="text-align: center;">R36/38</td> </tr> <tr> <td>Anionic surfactants</td> <td style="text-align: center;">15 - 30 %</td> <td style="text-align: center;">Xn</td> <td style="text-align: center;">R22-36/38</td> </tr> <tr> <td>Silicates</td> <td style="text-align: center;">5 - 10 %</td> <td style="text-align: center;">Xi</td> <td style="text-align: center;">R38-41</td> </tr> </tbody> </table>					<u>Percentage</u>	<u>Symbol</u>	<u>Risk phrases of ingredients</u>	Nonionic surfactants	< 5 %	Xi	R36/38	Anionic surfactants	15 - 30 %	Xn	R22-36/38	Silicates	5 - 10 %	Xi	R38-41
	<u>Percentage</u>	<u>Symbol</u>	<u>Risk phrases of ingredients</u>																	
Nonionic surfactants	< 5 %	Xi	R36/38																	
Anionic surfactants	15 - 30 %	Xn	R22-36/38																	
Silicates	5 - 10 %	Xi	R38-41																	
<u>3. Hazards identification</u>	Not classified.																			
<u>4. First-aid measures</u>	<p>Skin contact: Upon prolonged contact with skin, the product may cause slight skin irritation. If irritation should occur, wash affected area thoroughly with water. In case any irritation persists, seek medical advice.</p> <p>Eye contact: If the product gets into the eyes, it will cause transient mild to moderate irritation (e.g. stinging, redness). Rinse immediately with plenty of water for about 5 minutes. In case any irritation persists, seek medical advice.</p> <p>Ingestion: Product if ingested (in sufficient amount) would induce vomiting as the only toxic response. Drink 1 or 2 glasses of water. If any symptoms persist seek medical advice.</p> <p>Inhalation: If irritation should occur, rinse mouth and throat with water and move to fresh air. If any irritation persists or asthma-like symptoms occur, seek medical advice.</p>																			
<u>5. Fire fighting measures</u>	The product is non-flammable.																			
<u>6. Accidental release measures</u>	Avoid spillage into sewers or surface water. For small spills, sluice to drain with plenty of water. For large spills, sluice to waste with plenty of cold water.																			
<u>7. Handling and storage</u>	Store in a clean and dry area, away from heat and contamination...																			
<u>8. Exposure controls Personal protection</u>	Not a hazard in normal use. For prolonged or repeated contact, protection of the skin may be necessary. Rinse and dry hands thoroughly after each contact with the wash solution.																			

9. <u>Physical and chemical properties</u>	<p>Appearance: a white, free flowing powder pH (10 % aqueous solution) : ca. 10.0 Not Flammable. Non-Explosive. Non-Oxidizing. Relative density : ca. 0.425 g/ml Water solubility : high Packaging : Cardboard carton</p>
10. <u>Stability and reactivity</u>	<p>Stable under normal conditions.</p>
11. <u>Toxicological information</u>	<p>This product is not acutely toxic, after ingestion it may cause emesis. If large quantities are ingested treat symptomatically. If irritant effects are seen, these will be mild to moderate, depending on exposure. If in contact with eyes flushing with water is recommended.</p> <p>Estimated acute oral toxicity: LD50 (rats) > 2g/kg Skin irritation: May cause slight skin irritation Eye irritation: May cause transient superficial irritation Mutagenicity: Not mutagenic Sensitisation: No evidence of skin sensitization</p>
12. <u>Ecological information</u>	<p>The surfactants used in this product conform to the EEC biodegradability legislation. Ingredients have a known ecotoxicity supporting their safe use.</p>
13. <u>Disposal considerations</u>	<p>Observe local legislation.</p>
14. <u>Transport information</u>	<p>Not a dangerous material, no special precautions.</p>
15. <u>Regulatory information</u>	<p>This product is not classified according to EU-directive (88/379EEC) and local implementation laws.</p> <p>All ingredients used in this formulation are EINECS registered.</p>
16. <u>Other information</u>	<p>This product does not require any special training before use. Usage and handling instructions are mentioned on package and this Material Safety Data Sheet.</p>
