Comida

The Dining Collection

Berwick have been leaders in the supply of specialist care home furniture since 1997.

We are delighted to present our Comida dining collection. Designed to bring elegance to your home. Designed to impress, but designed to meet the practical requirements of care. Incorporating high seats, Crib 5 waterproof upholstery and wooden skis to ensure the longevity of the chair frame, Comida furniture will give years of service whilst still looking good.

We know you'll be impressed....

"We always pick the Riviera dining furniture from Berwick for our homes due to the build quality, choice of colours, durability and exceptionally high levels of service."
